

## Final Report

### Synopsis and Hierarchical Diagram

1. What is the concept of you web site?
  - Since this is my personal portfolio, it is mainly for the marketing of my competences.
2. To whom it is for?
  - This site is for JAMK professors, Recruiters and my colleagues
3. Who are developers of the site?
  - I am the developer of the site.
4. What is the size of the site?
  - It is a one page website having sections on top of each other.  
Note- Hierarchical Diagram of my site is attached below.
5. What technical environment is used?
  - Website is hosted in JAMK student portal i.e “student.labranet.jamk.fi”
6. Security aspects?
  - No private information is shared directly. It is well optimized and it is SSL certified website which ensures maximum security.
7. Layout/User Interface?
  - I want the User Interface to be simple yet efficient and colorful. Make the website more interactive with web animation
8. Maintenance/Update policy?
  - Site will be maintained in every 3 months. (Not applicable to sudden breakdown).

9. Material and media?

- All the materials and pictures used in the website have creative common license which is free to use and are extracted from different sources.

10. Resources , hours used to develop the portfolio

a. Inspiration

- W3school.com
- Google.com
- Canva.com
- Pinterest.com

b. Designing Concept

- To make the Wireframe and the Hierarchical Diagram I used the Lucida Chart web site.

c. Layout

- For ideas I searched google, canva and pinterest.

d. Content

- Content section added describing key aspects of my life, my competences.

e. Testing

- After finalizing and implementing every concept, I tested it mainly using chrome browser and apple phone to check are there any errors on the GUI.

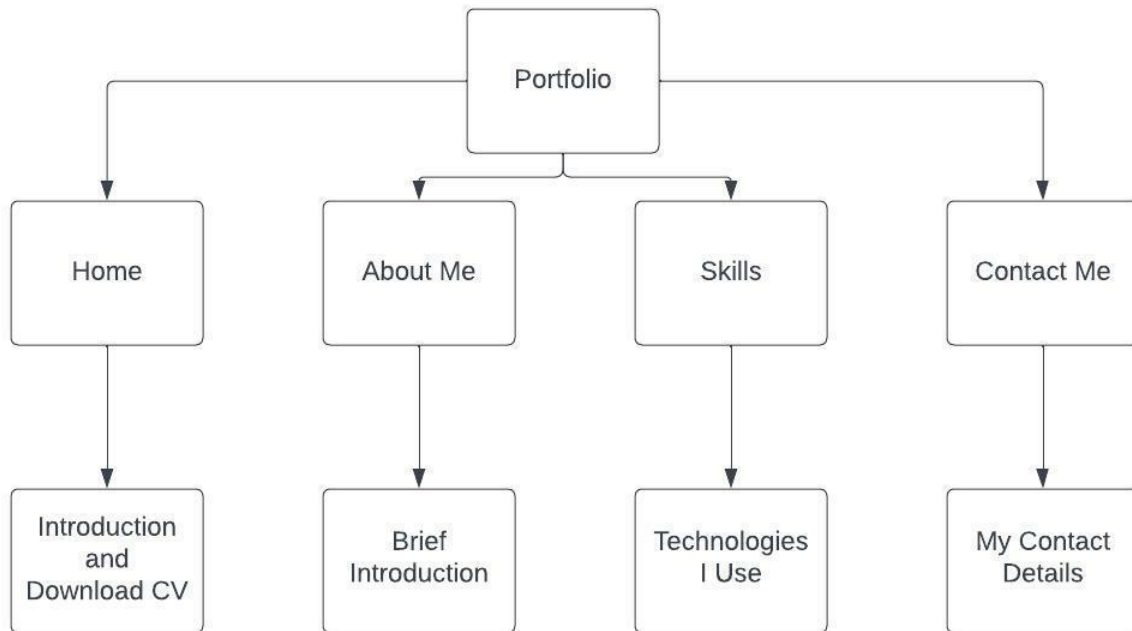

f. Time I Spent

- Around 10 hours' time I would have spent on making the portfolio.

11. Self-Evaluation

- I gave my maximum effort for making the web site and I think I did a good job making it. Still I have a long way to go to understand the designing concepts & Color patterns. But since this is the beginning I would give myself a **grade 5**
